

# Second Annual Maine Pottery Tour

Mother's Day Weekend is Pottery Weekend in Maine! Eleven Maine clay studios are opening their doors to the public to tour, watch demos, meet the artists, and shop. It's a great way to spend a weekend and learn more about this ancient art form.

**Saturday, May 11<sup>th</sup> 10 - 6**

**Sunday, May 12<sup>th</sup> 11- 4**

*unless otherwise noted*

Ceramics as an art form is over 25,000 years old. Technologies change, but clay never does; nor does the pleasure of using handmade pottery. All ware offered for sale is leadfree. For more information, visit <http://mainepotterytour.blogspot.com/>
