The Maine Pottery Tour is a self-guided driving tour of pottery & ceramics studios around the state.

On May 6 & 7, you have an opportunity to meet the artists, peek in the kilns, watch demos, & see the spaces where the magic happens. The Maine Pottery Tour celebrates its 11th year with 65 studios!

In the Western Region, we have 7 participating studios. For a complete list of studios on the Maine Pottery Tour, please visit www.mainepotterytour.org. There you will find links to studios and an interactive map to plan your pottery road trip.

The Maine Pottery Tour is funded in part by the Maine Arts Commission, an independent state agency supported by the National Endowment for the Arts.
